<b>PART B: COMMITMENT AGREEMENT</b>		
<p>As signified by my signature on the bottom of this page, I commit my support towards promoting and implementing a worksite wellness program. I understand that in order to have success, I must also promote a healthy supportive worksite culture by encouraging employees to communicate openly, be open to change, and to work together as a team. Further elements of a healthy worksite that I will strive for are encouraging employees to have fun, grow in the skills and talents that their job requires, keep work, personal and family time in balance and view risks as an opportunity to learn, even if an idea fails. Whenever possible, flexible work schedules will be available to staff.</p>
