We've designed your dental plan so it is easy to use and gives you and your family maximum flexibility, network savings, an unparalleled commitment to service and peace of mind. Prevention is the key to good long-term oral health

Our plans are designed to encourage you to visit the dentist and help ensure your basic dental needs are met in a timely, cost-effective manner.

Access to regular checkups and sound preventive care are key to long-term oral health. In addition to visiting your dentist for regular preventive care, talk to your dentist about your specific oral health needs. Your dental plan is intended only to help you pay for care—your dentist is the one who will help you determine your actual care needs.

Helpful Online Tools

As part of our commitment to your long-term oral health, we provide members free access to valuable oral health information and dental benefit tools through our Web site, www.deltadentalmn.org.

Frequently Asked Questions

May I go to any dentist?

You have the freedom to see any dentist. However, dentists who participate in our Delta Dental PPO or Delta Dental Premier networks have agreed not to charge more than our maximum allowable amount. This can result in lower out-of-pocket costs. Choosing a dentist in the Delta Dental PPO network may save you even more money. As an added convenience, you never have to file a claim when you use a participating dentist—the dentist files the claim for you.

Through a unique contractual agreement, Delta Dental maintains a network of participating dentists that includes more than 260 dentists in North Dakota. Nationally, Delta Dental PPO has about 89,500 participating dentists. Delta Dental Premier is the largest dental network in the country with about 145,000 participating dentists.

How do I find a participating dentist?

Finding a participating dentist is easy. Simply visit www.deltadentalmn.org and use our interactive Dentist Search tool or call Customer Service toll free at 1-800-448-3815.

What happens if I visit a non-participating dentist?

If dental services are received from a non-participating dentist, you will be responsible for paying the difference between our maximum allowable amount and what the dentist charges. You may be responsible for submitting your own claim. The address to submit claims is on the back of your Delta Dental ID card. In addition, reimbursement for covered services will be paid directly to you.

What if I have an emergency outside the United States?

Delta Dental automatically includes international emergency coverage in many countries throughout Europe, Africa, South America and Asia. English-speaking customer service representatives are available to help members find a dentist. For more information, visit www.deltadentalmn.org.

How do I find out if my claim was paid?

Our online claims inquiry tool provides claims detail. Our Web site offers other interactive features including eligibility and benefits inquiry, oral health resources and much more. You may also call Customer Service to get claims status and payment information.

How is work in progress handled?

For services started prior to your effective date under the Delta Dental plan, payment of the claim is based on the service completion date.

How do I know how much I'll be responsible for?

For major dental procedures, the dentist can submit a pre-treatment estimate to Delta Dental of Minnesota for determination of benefits and financial responsibility prior to the service.
