## RETIREMENT MEMBERSHIP APPLICATION SFN 2561

All instructions, terms and conditions are in the NDPERS New Hire Kit.

The Retirement Membership Application SFN 2561 is the form used to enroll new employees in a retirement plan. **THIS FORM MUST BE RECEIVED BEFORE CONTRIBUTIONS WILL BE ACCEPTED.** Please send the application to NDPERS by the end of the month for which they are being enrolled. For permanent State employees who are electing to join the Defined Contribution plan, a Defined Contribution Retirement Election SFN 52170 must be sent to the NDPERS' office. (See the Defined Contribution Retirement Plan section). For employees transferring from one participating agency to another use the Notice of Transfer Kit.

### Defined Benefit Mandatory Participation Requirements

If the employee works a minimum of 20 hours per week for twenty (20) or more weeks of the year, is at least eighteen years of age, filling a permanent position that is regularly funded and not of limited duration, and is a classified state employee, he/she must participate in the defined benefit plan unless participation was waived when your employer joined NDPERS.

If the above requirements are met and the employee is a permanent state employee, he/she must elect to participate in either the defined benefit plan or the defined contribution plan.

A member that participates in the NDPERS Defined Contribution Retirement Plan shall remain a participant in the Plan regardless of whether the member becomes employed by a political subdivision, city, county or school district that participates in the public employees retirement system. However, this rule does not apply to participants who are re-employed and eligible for the Highway Patrol Retirement System, the Teachers Fund for Retirement or eligible for the alternate retirement plan of the board of higher education. Should you hire an employee who has been a participant in the past, it will be necessary for you to continue contributing to the NDPERS Defined Contribution Plan for the individual.

**An employee should be enrolled the first month of eligible employment, even when hired subject to a probationary period. There is no maximum age limit applicable for enrollment purposes.**

**NOTE:** A Designation of Beneficiary for the Group Retirement Plan, **SFN 2560**, should accompany the Retirement Membership Application **SFN 2562**. **HOWEVER, DO NOT DELAY SENDING THE MEMBERSHIP APPLICATION IF YOU DON'T HAVE ALL OF THE INFORMATION REQUIRED FOR THE DESIGNATION OF BENEFICIARY FORM.** It is more important for NDPERS to get the Retirement Membership Election SFN 2562- the Designation of Beneficiary SFN 2560 may be sent later.

**Filing Procedure:** Originals to NDPERS—please retain a photocopy for your records.

Exception: Correctional officers of a participating political subdivision must complete a course approved by the North Dakota Department of Correction and Rehabilitation and be employed by a correctional facility as defined in the North Dakota Century Code Chapter 12-44.1.

If a correctional officer has not completed an approved course then the following applies:

1. Upon a group's initial enrollment in the Law Enforcement Plan, correctional officers not certified will remain in the Defined Benefit plan or current employer sponsored plan until such a time that they become certified. Once certified, the correctional officer will be given 180 days to either elect to join or waive participation in the Law Enforcement plan. If no election is made, the correctional officer will remain a member of the Defined Benefit or employer sponsored retirement plan.
2. All correctional officers hired after the date a group adopts the Law Enforcement retirement, upon completion of the certification, must be enrolled in the Law Enforcement plan.

**FILING PROCEDURE:** Original to NDPERS – Please retain a photocopy for your records.

**RETIREMENT PLAN MEMBERSHIP WAIVER  
SFN 54286**

**This form must be completed NO EARLIER than 31 days after a severance of employment for retirees returning to eligible employment. Reminder:** To be eligible for benefits, a member must terminate employment or terminate membership.

"Termination of employment" means a severance of employment by not being on the payroll of a covered employer for a minimum of one month (31 days). This period is determined by counting 31 days from a member's final regular payroll payment to the date he/she begins actual employment (first day of work) with a new NDPERS participating employer.

Approved leave of absence does not constitute termination of employment.

An employee who is eligible for normal retirement and who accepts a retirement benefit becomes reemployed with a NDPERS participating employer other than the employer with which the employee was employed at the time the employee retired may, before reenrolling in the retirement plan, elect to permanently waive future participation in the Defined Benefit or Defined Contribution plan and the retiree health insurance credit program. An employee making this election is not required to make any future employee contributions to NDPERS nor is the employer required to make any further contributions on behalf of that employee.

Under N.D.C.C. 54-52-01(8), a "Governmental unit" means the state of North Dakota, except the highway patrol for members of the retirement plan created under chapter 39-03.1, or a participating political subdivision thereof. Therefore, North Dakota state agencies are considered one employer group and any member retiring with one state agency and becoming reemployed with another state agency **would not be eligible** for this provision. The following retired members may be eligible for this provision:

<u>Past Employer</u>	to	<u>New Employer</u>
State		Political Subdivision
Political Subdivision		State
Political Subdivision		Political Subdivision

Each retired member that becomes reemployed who is eligible to decline future participation in the PERS defined benefit/defined contribution plan will be required to complete a "Retirement Plan Membership Waiver SFN 54286". **This form will only be available upon request from NDPERS and only after an employee's return to work has been reviewed.**

If a waiver of membership is received prior to reemployment, the retiree will be sent confirmation and notice that his/her retirement benefit payments will not be suspended nor will they receive retirement credit for subsequent employment

If a retirement membership application is received, NDPERS will research the retiree's age, if the retiree retired on or after their normal retirement date, he/she will be

contacted. The retiree will be given 30 days to waive enrollment in the defined benefit/defined contribution plan and continue receiving retirement benefit payments with no future contributions.

If NDPERS staff received retirement contributions without an enrollment or waiver on file, the reemployed retiree's age will be researched. If the retiree retired on or after his/her normal retirement date, the contributions will be suspended and the retiree will be contacted. The member will be given 30 days to either waive or enroll in the defined benefit/defined contribution plan.

If a retiree, under either of the above scenarios, does not respond within 30 days, the default will be to enroll the retiree as an active participant in the defined benefit/defined contribution plan and contributions will be posted accordingly. The member will be sent notice that his/her retirement benefit payments will be suspended and a second account established. Upon termination of employment, the accounts will be combined and retirement benefit payments will resume.

For instructions on completing the form, please refer to the back of the forms.

If an amendment is necessary, the additional percentage shall be credited to the eldest beneficiary. If shares are not designated, NDPERS will distribute benefits equally to the named beneficiary (ies). As this distribution may not reflect the member's preference, we recommend the member be sure to designate the percent of share for each listed beneficiary.

2. If spouse's consent is given and if a member's primary beneficiary election is someone in addition to or in lieu of a spouse, there is no monthly pre-retirement death benefit provision.

**NDPERS REQUEST FOR PURCHASE INFORMATION**  
**SFN 53718**

The form also allows the employee to indicate if they are interested in paying for the purchase by utilizing a rollover/transfer of funds from an eligible source.

Eligible types of service to be purchased may include:

- Unused Sick Leave Upon Termination

For questions about eligible types of service to be purchased, please refer the employee to the **Provisions for the Purchase of Service Credit and Conversion of Unused Sick Leave** brochure on the NDPERS website or the NDPERS office at (800) 803-7377.

For instructions on completing the form, please refer to the back of the form.

**PURCHASE AGREEMENT FOR USERRA COVERED MILITARY ACTIVE DUTY  
SFN 17758**

**This form should be used to notify NDPERS that an employee has returned from active military duty that interrupted NDPERS covered employment and is interested in receiving information about the cost to purchase the months missed during the approved leave of absence. A copy of the employee's DD214 or NGB22 Discharge Form is also required to verify the interruption of service qualifies under the Uniform Services Employment and Re-employment Rights Act (USERRA).**

**USERRA's Impact on the Defined Benefit Plan**

An Employment Change Request for a leave of absence **must** be completed through Employer Self Service indicating the date the member leaves active employment. This should also be completed to notify NDPERS of the member's return to employment from active duty.

Upon return from active duty, the member may be entitled to have their credit while on active duty recognized by NDPERS for vesting in retirement benefits, the PEP vesting schedule and benefit eligibility purposes (i.e. meeting the Rule of 85/Rule of 80). A reservist should make application to NDPERS by submitting a written request for the above along with a photocopy of their DD214 form.

In addition, a returning reservist has the option to purchase the service credit not accrued during the leave for the purpose of determining benefit calculation. Retirement credit may be granted for this purpose upon proper documentation and receipt of past contributions.

If application is made to the employer, then the employer is required to pay the employer portion of the retirement contributions in a lump sum on behalf of a reservist. The employer is also required to pay any portion of the employee contribution in the same manner that it would have been paid had the reservist not been activated. If the employer does not pay any or all of the employee contribution on behalf of its employees, then the reservist is required to pay the employee contribution in order to receive the service credit

The salary to be used in determining the cost to receive the credit must be based on the salary that would have accrued had the reservist not been called into active duty, rather than the salary the reservist is earning at the time of inquiry. If the salary can not be determined, then the employee's average rate of compensation during the 12-month period immediately preceding their call to active duty should be used. The following applies to the payment of purchased credit:

- 1) The timeframe that the reservist has to pay any required employee contributions to the plan is 3 times the period of active duty or 5 years, whichever is less. If the reservist does not apply and/or purchase during this timeframe, then USERRA no longer applies. The reservist would have to pay an actuarial cost to receive the service credit.

- 2) If a reservist chooses to make installment payments to the plan to purchase the service, the plan can not charge interest on the unpaid balance.
- 3) If the reservist chooses to purchase the service and begins payment, NDPERS will send a billing to the present employer for the required employer contributions. These contributions must be paid by the employer in a lump sum. As part of this billing, if any of the employee contributions are employer paid, they will be included.

Upon receipt of the Purchase Agreement for USERRA Covered Military Active Duty **SFN 17758**, NDPERS will compute the cost for the reservist to receive the credit and will send written notification to the reservist and/or the employer.

For instructions on completing the form, please refer to the back of the form.

**FILING PROCEDURE:** Original to NDPERS – Please retain a photocopy for your records.

**VERIFICATION OF EMPLOYEE CONTRIBUTION TOWARDS  
USERRA ACTIVE MILITARY DUTY  
SFN 54361**

**The Verification of Employee Contributions Towards USERRA Active Military Duty SFN 54361 should be used to verify the amount of employee contributions paid by an individual that may be the responsibility of the employer to pay as a result of NDCC 54-52-17.14 (Main) or 39-03.1-10.3 (HP).**

As a result of legislation, an employer is responsible for refunding employee contributions to a reservist who submitted payment to NDPERS to obtain USERRA covered active military duty if the employer would have paid the contributions on behalf of the individual had they not been activated. The law is retroactive to October 1, 1994.

1. The employee must complete Part A to authorize the sharing of this type of information between the employer and NDPERS.
2. The employer must complete Part B to provide NDPERS with notification of the reservist and employers intent. Also, they must answer the questions in Part B to assist NDPERS with determining if the provisions of NDCC 54-52-17.14 or 39-03.1-10.3 apply.
3. Upon receipt, NDPERS will review the member record and will complete Part C. A copy of the completed verification form will be provided to the member and the employer.
4. The employer is responsible for refunding the returning reservist based on the information provided by NDPERS.

**NOTICE OF TRANSFER  
SFN 53706**

**All instructions, terms and conditions are in the NDPERS Notice of Transfer Kit.**

**If the employee will not begin employment with a new participating agency within 31 days from the day of employee's last regular pay check with your agency, a separation of employment kit must be completed by both the employee and the authorized agent.**

**Administrative Code Chapter 71-02-01-01(24): "Termination of employment" means a severance of employment by not being on the payroll of a covered employer for a minimum of one month. Approved leave of absence does not constitute termination of employment.**

Often employees will terminate their position with an employer participating in NDPERS and take a job with another employer who is also participating in NDPERS. Please note, if you have an employee who is transferring into or out of your agency during the month, it is required that you make a contribution for the partial month. Therefore, NDPERS will receive contributions from both employers during the month that the transfer occurs.

1. Retirement service record will transfer if new employer participates with NDPERS.
2. If employee transfers employment from one participating employer to another participating employer terminating eligible employment, NDPERS will record unused sick leave of a participating member if the new employer certifies that it will not transfer that leave. The certification must include documentation from the previous employer detailing the number of hours of sick leave. NDPERS must receive the certification within sixty days from the date the member leaves employment with the former employer.
3. In recognition of the fact that the current employer may not be aware of the circumstances regarding a departing employee's employment plans and subsequently a new employer will not receive any transfer information, NDPERS has developed a series of scenarios along with the required administrative procedures to follow depending on the particular situation.

These procedures are designed to ensure transfers are processed consistently based on "what the employer knows at the time of separation of employment."

**Situation: Current employer knows the employee is transferring to another covered employer:**

1. Complete the Notice of Transfer Kit, which contains the NOTICE OF TRANSFER FORM
2. Send the NOTICE OF TRANSFER FORM to the new employer

**Situation: Current employer has no knowledge that terminating employee is transferring to another covered employer:**

1. Current employer and employee completes the appropriate separation of employment kit
2. Send the complete kit to NDPERS
3. NDPERS will process accordingly in absence of any other information.

**Situation: New employer receives a Notice of Transfer SFN 53706 from a participating employer.**

1. Do not have transferring employee complete new enrollment forms for plans indicated in Part C of the NOTICE OF TRANSFER FORM
2. Set up employee with benefits according to information provided in Part C of the NOTICE OF TRANSFER FORM
3. Have employee complete enrollment forms for programs not previously enrolled in through previous employer
4. Submit any enrollment forms to NDPERS

**Situation: New employer is not aware a new employee is a transfer from another participating employer. Previous employer processed as a separation of employment and employee does not provide the information.**

1. Have new employee complete all required enrollment forms
2. Send the enrollment forms to NDPERS
3. If there is an existing record, and the hire date is within 31 days of separation from previous employer, NDPERS will notify you that employee is a transfer from another participating employer and will:
  - a. Void the enrollment forms for any programs that employee previously participated in.
  - b. Complete Parts A-D of the Notice of Transfer form and send it to new employer.
  - c. Employer will set up benefit record according to information provided in Part C of the NOTICE OF TRANSFER FORM
  - d. Employer must complete Parts E and F on the NOTICE OF TRANSFER FORM and return it to NDPERS

**Situation: New employer is aware a new employee is a transfer but previous employer treated as a separation of employment and did not complete a NOTICE OF TRANSFER FORM**

1. Complete Parts A, E, and F of the NOTICE OF TRANSFER FORM
2. Send the NOTICE OF TRANSFER FORM to NDPERS
3. If hire date is within 31 days of separation from previous employer, NDPERS will complete Part C based on existing record and return the form to the new employer
4. Have employee complete enrollment forms for programs not previously enrolled in through previous employer
5. Employer will set up the benefit record accordingly
